

SEALERS, INC. A-1104 Butyl Gasket

A-1104 Butyl Gasket is an extruded, pressure sensitive gasket sealant designed to seal any bolt-on flange or flanged duct. A-1104 provides an instant, water resistant seal for low, medium and high pressure systems with flange type connectors in non-weather exposed areas.

- Exceptionally Strong Seal
- Color: Gray
- FDA & USDA Approved
- Non-Corrosive
- Stays Flexible

Part Number	Product	Description
