

# DAMPER REGULATORS-RESIDENTIAL

Hardcast Hardware

## MINI-DIAL

Sets – Up to 10" x 10" Damper

Our MINI-DIAL regulators have unique features and are robust enough to handle both residential and light commercial applications. The MINI-DIAL includes a forged high quality wing nut.

The MINI-DIAL is available in 1/4" with interior and exterior steel washers and gasket. Also available for non-insulated and insulated applications.
